AGEHR AREA II, INC.

PROGRAM

Mentoring for Area II!!

What does that mean, you may ask? If you call, email or write us, tell us what you or your choir need, we will send a qualified instructor to you for a nominal fee. This service is Free to new members of AGEHR,

Here are some scenarios :

- We just bought bells, now what do we do?
- We want to go to a festival but don't know how to prepare.
- The choir has a hard time knowing how to make bell changes properly.
- We've been playing for a few years, but we want to look and sound better.
- We need help reading and playing complicated rhythms.

Help for Directors too...

Directors, what if you're the one saying "My choir is fine, I'm the one who needs help." This could be the place for you. Do you find yourself asking any of these questions?
