# From the Chair . . .

Greetings from the Area 2 Board,

A lot of you have requested more localized events. There are quite a few of them in our area that have been planned for Spring 2012 – from mini festivals to one-day workshops to half-day workshops/reading sessions. Events are aimed at different levels of ringers. Check out the Area 2 Events Calendar on the Area 2 Web Site to see what is happening in your vicinity. Also, you will find information about, and the registration form for the Area 2 Spring Reading Workshops in this issue. The Reading Workshops are sponsored by Area 2. The other events are planned and run by other groups.

People put a lot of time into planning these events. If you are a director, be sure to share information about events with your ringers. AND sign up to attend!! Individuals may sign up. It doesn't have to be whole choirs.

We are already looking for people to host the Area 2 sponsored one-day Fall 2012 Technique Workshops. It is not too early to offer your church or school as a venue for these events. Check further on in this issue for information on who to contact.

Area 2's 2012 Summer Event will again be called "Vibration Vacation". It will be held at two locations – Liberty Corner (Basking Ridge), New Jersey (July 30, 31) and Dewitt (Syracuse). New York area (August 2, 3). Jim Rossetti has engaged Dr. William Payn, who will be the main clinician, to work on Musicality in Ringing with the attendees. Watch for information on how to register.

On the National level, we are now being marketed as Handbell Musicians of America. On our incorporation papers, we are officially still AGEHR, but National thought that this new "BRANDING" better describes who we are. When you are "Googling" or using other search engines, you may use either "Handbell Musicians of America" or "AGEHR" to get links to the National Guild's Web page.

National is trying to provide you with access to new resources. I am trying to figure it all out so that the Board and I can be of some assistance to those who need help accessing these resources. We'll all learn together!

Happy Ringing!

**Jackie Anderson**

# Thank You!

We want to thank the hostesses and clinicians for the Area 2 Fall Techniques Workshops. In Bellfonte, PA Linda Hoffman was the hostess and AnnaCarol Buffington and Gail Ritchey served as clinicians. In NorthEast, PA Linda Schroder was the hostess and Alex Mysliwec and Andy Seay were the clinicians. Both workshops were deemed successful with glowing feedback for both the clinicians and the hostesses. Thanks to all for the wonderful job.

It is never too early to contact us about fall 2012 workshops. These workshops usually concentrate on teaching and reviewing bell techniques. They are usually scheduled for a 6 hour period with a 1 hour lunch. If you are interested in hosting a workshop, contact our Workshop Chairperson, Betsy Barr, at wtbar50@gmail.com.

# Can You Help?

Handbell directors working with children and youth in churches, could you please take 10 minutes and complete a survey? The website is below. Results will be reflected in my final paper, required for the Master of Church Music degree at Concordia University, Wisconsin. For survey results or clarifications, contact me: ([bethannedwards@msn.com](mailto:bethannedwards@msn.com) or 515.490.9408). Thank you!

## AGEHR AREA 2 MENTORING PROGRAM

**New bells, new ringers, new director?  
Old ringers need refurbished?**

Due to a special grant, Area 2 is able to offer a **free** half-day workshop for any church or school, at your facility at a time convenient for you. We will design the workshop to meet your needs. We can help you get a new program started, hone your ringers' skills and techniques, or just help you work through a difficult piece. You decide what you and your ringers would like to work on, and we will send a clinician to work with your group on those specific needs.

**Your Area 2 Mentoring Chair is waiting to set up a  
workshop for your choir!**
